Couples' Retreat

THE RETREAT:

Embark on a journey of love, connection, and self-discovery. This retreat invites you and your partner to explore what makes relationships thrive—cultivating self-love and autonomy, enhancing intimacy, and fostering deeper understanding and connection.

Each day is thoughtfully designed to nurture your bond through daily yoga, movement, and meditation practices, engaging workshops, transformative ceremonies, and meaningful experiences. These practices will help you reconnect with yourself and your partner, enriching your shared journey in profound ways.

Set in the luxurious surroundings of The Lodge , you'll be pampered from the moment you arrive. Enjoy elegant accommodation, romantic

gourmet meals, and moments of pure relaxation in a space where every detail is crafted for your comfort.

This isn't just a holiday—it's an opportunity to create lasting memories, deepen your relationship, and return home feeling renewed and more connected than ever.

WHO IT'S FOR:

This retreat is for couples of all genders and stages of their journey who are ready to deepen their connection, rekindle their spark, and grow together through mindful practices and shared experiences.

Meet Lina:

Lina Jurevičiūtė is a passionate vinyasa, power & yin yoga teacher, sound healing and reiki specialist. Lina's professionalism, authenticity and talent is rare to find elsewhere. Her wealth of knowledge, pulling from many yoga lineages, makes her teachings unique and whole rounded experiences. There's a personal touch during every practice, as she ensures to provide meaningful feedback and corrections. And, the genuinity in her ability to connect with all guests leaves you feeling like you made a meaningful friend.

Meet Nico:

With more than 10 years of experience in the wellness space, Nico is a certified music therapist, sound engineer, multifaceted artist, and life transformative coach.

Nico equips his clients with the tools and guidance to foster personal growth and meaningful connections. His approach integrates creativity, mindfulness, and a holistic perspective to inspire profound and lasting change. He also incorporates sound journeys and music therapy, creating immersive experiences that deepen relaxation, enhance self-awareness, and unlock the potential for healing through the power of sound.
